Job offer

WITENO GmbH | Greifswald

That's us:

WITENO runs two start-up and technology centers in the city of Greifswald – BioTechnikum Greifswald and Technologiezentrum Vorpommern. With the Z4 – Center for Life Sciences and Plasmatechnology and the Digital Innovation Center Alte Mensa Greifswald we are about to develop additional offers. It is our aim to support innovative start-ups and to stimulate and promote knowledge transfer between both, individual companies and business and academia.

We constantly intend to expand our support and consulting portfolio, especially in the Digital Innovation Center Alte Mensa Greifswald.

We are looking to complement our team with a

Coach for digital business development (m/f/d).

Your tasks:

- Consulting of innovative, digital oriented founders, start-ups and young companies with a focus on business development
- Development and implementation of formats for training and coaching of entrepreneurial skills for start-ups and creative people (incubator, accelerator)
- Mobilize relevant target groups and support the further development our regional network and the start-up ecosystem
- Conception, organization and implementation of events in the region, including formats like hackathons (or similar)

Your profile:

- Completed studies in business administration, communications, management or natural sciences or related fields or a comparable vocational degree
- Specific affinity and interest in digital innovation and technologies
- Strong communication and organizational skills, capacity for teamwork
- Analytical and conceptual thinking skills
- Independent working style with a high degree of initiative
- Moderation experience and knowledge of relevant methods as well as experience in advising idea carriers / start-ups and in project management
- Mobility
- Experiences and passion for new media
- Proficient language skills (English mandatory)

The position is first of all limited to 3 years. You are offered an adequate salary. If you are interested in taking on responsibilities in a dynamic environment we should get in contact!

Please submit your complete application until **09-01-2023** to:

WITENO GmbH, Walther-Rathenau-Str. 49a, 17489 Greifswald or to bewerbung@witeno.de.
