

SUPPORT SUCCESSFUL MANAGEMENT IN START-UPS AND SME'S

RZESZOW REGIONAL DEVELOPMENT AGENCY, POLAND

Start in Podkarpackie

“Start in Podkarpackie ”as a project and initiative is designed to unite start up teams, to provide all the support to ALL workers of certain start-up to enforce their teams and let them all gain ne equally. This allowed for the acquisition of knowledge and skills of entire start-up teams, not only founders or representatives. Members received comprehensive training, mentoring and support as a team, so the building of competences was multi-axis and multidimensional and aimed to build a competent and strong team.

Start in Podkarpackie is an initiative taken in October 2016 by Rzeszowska Agencja Rozwoju Regionalnego S.A. in cooperation with the Marshal's Office of the Podkarpackie Voivodeship, local enterprises, institutions, and universities from the region, supported start-up communities and start-up creators. The aim of the initiative was to promote start-ups related to the Podkarpackie Voivodeship, support their development, enable access to necessary knowledge, activate the local community and developing an already functioning ecosystem. The aim was also to use the research, economic and infrastructural potential of the Podkarpackie Voivodeship to disseminate the idea of start-ups in south-eastern Poland and enable their development.

What exactly did Start in Podkarpackie deal with? Ecosystem activities can be divided into four areas

- Expansion of the Podkarpackie start-up ecosystem - unification and community building through various events, meetings, and activities
- Education of start-ups through permanent cooperation with mentors and universities from the region
- Educating local investors (business angels) in the field of smarter and smarter money investing, acquiring investors from outside the Podkarpackie region
- Work on eliminating the problems and barriers faced by the Podkarpackie start-ups during their operations.

To cooperate under the initiative, the following have been invited:

- Start-ups from south-eastern Poland
